Mr. C. Gardner Sullivan

Winnifred Reeve

Attached is an attempt at a new plot treatment for "WHAT MEN WANT" It is more or less based on or influenced by your own ideas. Of course, this is a different story altogether, and to write it means a few weeks work.

I am a bit discouraged about "WHAT MEN WANT" because I cannot help feeling that the original treatment is good. I know it has some weaknesses, but I do believe there is a darn good story in it.
